

Arieni Kettlewhistle (Disabled NPC of the Week) now at DMs Guild

August 9, 2021

Arieni Kettlewhistle is a fourth level Ranger (Hunter) halfling who happens to have a paralyzed arm, but she has no problem wielding her hand crossbow and short sword in the other hand! She also has Attention Deficit, so she's easily distracted by interesting plants and fungi, but that hyperfixation makes her a fearsome opponent to vegepygmies and other plant creatures!

We all have disabled, neurodivergent, and mentally ill people in our lives. Maybe that's you. Doesn't it make sense to have them in our Dungeons & Dragons game, as well? The disabled NPC of the week makes it easy for you to bring characters like that into your game to represent those you care about in real life, to help people become comfortable interacting with people that are different from them, and to normalize disability in all of our lives. Each week, we give you a free NPC with some form of disability that you can plug right into your game, complete with

game mechanics taken from the [Disabilities and Depth](#) book. Sign up for our newsletter at wyrmmworkspublishing.com to get notified of more free weekly content!

Make Lives Better through Role-Playing Games

This character is one piece of a movement within the D&D community to invite, encourage, and include those who have not been, both in the RPG community and nearly everywhere in real life. Wyrmmworks Publishing is dedicated to using RPGs to help you make lives better, to provide tools, training, and a community to this end. We believe that this will extend far beyond the ever-growing RPG community as more and more people learn, grow, and give and receive acceptance.
