Braille 5.1 SRD & Tutorials

We're committed to creating a more inclusive gaming experience for everyone. We're proud to announce the release of the **first-ever braille conversion of the 5th Edition System Reference Document (SRD)**, making the rules of 5th edition accessible to a wider audience of players and creators.

Features:

- **Free and downloadable:** Available in BRF and BBZ formats for various braille needs.
- **Comprehensive:** Includes Player's Guide, Game Master Guide, Monster Manual, and Spellcasting Guide content.
- **Open access:** Released under a CC-BY license for anyone to freely use and adapt.
- **Tutorial included:** Equips publishers and homebrew creators with the tools to convert their own content into braille using free software.

This initiative marks a significant step towards a more inclusive TTRPG space. We're actively working on further accessibility resources and tools, including upcoming tutorials and future plans for truly inclusive core rulebooks.
