

# Disabled NPC of the Week: Lolbimirt

September 27, 2021

Lolbimirt is a forest gnome guard with abnormal growth and a rash on 40% of his body.

## Is this character actually disabled?

While “taller than usual” and a skin rash don’t seem like disabilities, and by most official definitions, they’re not, this character emphasizes that disabilities are not binary – they’re a spectrum. Most people have multiple physical and/or mental challenges, and there’s no hard and fast line that separates people with or without disabilities. We’re more alike than you think. At the same time, Lolbimirt has difficulty navigating the burrows of his gnomish family, and his rash leaves him in danger of infection, an important condition in a world without antibiotics or, in the real world, to those without proper access to medicine or medical insurance.

## **Disabled NPC of the Week**

At Wyrmmworks Publishing (wyrmmworkspublishing.com), we believe that the more people have chances to interact with disabled people, the more normal it will become in their lives, the more comfortable they will be around disabled people, and the more inclusive our world will become. To this end, we release a free disabled character to use in your game every week to help your players grow accustomed to disabled people in an RPG setting, allowing them to get used to interacting with disabled people.

## **Make Lives Better through Role-Playing Games**

This character is one piece of a movement within the D&D community to invite, encourage, and include those who have not been, both in the RPG community and nearly everywhere in real life. Wyrmmworks Publishing is dedicated to using RPGs to help you make lives better, to provide tools, training, and a community to this end. We believe that this will extend far beyond the ever-growing RPG community as more and more people learn, grow, and give and receive acceptance. Join the movement by signing up for announcements!

## **Accessible Adventure of the Week: Fey & Fortune** □

September 27, 2021

## Better to burn out than allay the fey!

The forest is thick with fey creatures. Why? And can they stop the influx of fey magic?

This side adventure is designed for four to six characters with an average party level of 4, totaling roughly 20 levels.

# Accessible Adventure of the Week: The Weight of Glory

September 27, 2021

## I'm so sorry. I was just trying to help!

Dad was a hero but died without the glory he desired and deserved. Can you help bring reconciliation to his grieving child?

This one-shot sidequest adventure is designed for 4-5 characters, level 5-7, with a total of 20-22 levels.

Maledos, a tiefling sorcerer, is looking for help. Their father died in the battle, and they wish to give him a proper burial, but the battlefield is haunted by sword wraiths who prevent the battlefield from being disturbed. What the players don't know is that Maledos was the one who ended the battle with a fireball that also killed their father, who is one of the sword wraiths.

## **Accessible Adventure of the Week: Casts with Wolves**

September 27, 2021

## Keep the Wolves at Bay

Sheep have been dying from wolf attacks. Now, the wolves have you surrounded, but have you been thrown to the wolves, or is someone crying wolf?

This one-shot sidequest adventure is designed for 4-5 characters, level 2-3.

## Background & Synopsis

The party encounters a woman who shape-shifts between human and wolf form, but she's not a werewolf. That doesn't mean a werewolf isn't lurking nearby.

[Tikaani](#) was abandoned by her mother and raised by wolves and now leads her pack. While resting for the night, the party is surrounded by the pack. Tikaani steps in and suspects that the PCs are hunters. She doesn't trust humans, as they've been hunting the pack. Her birth mother is a shepherd who has been hiring hunters to hunt wolves, suspecting that they've been attacking her sheep, when in reality, it's a werewolf, which has also killed two of the hunters she hired. The party must find out the truth, and if they discover that the two women were related, they must decide what to do with that information.

# Help a Homeless Person by Buying This Adventure!

[PoC In TTRPGs](#) is all about supporting and uplifting PoC in the tabletop space. That work includes hyping up the various creatives in the space, while also helping the non-creatives that they belong in the space. They are unemployed, currently homeless and disabled. A stable housing situation would aid them immensely in working on their other issues, while giving them more space to support other PoC. **100% of royalties from this adventure will be donated to PoC In TTRPGs, or [donate directly](#).**
