

Breaking Barriers: Accessible Braille 5e SRD!

March 8, 2024

We're committed to creating a more inclusive gaming experience for everyone. We're thrilled to announce the release of the **first-ever braille conversion of the 5th Edition System Reference Document (SRD)**, making the core rules of 5th edition accessible to a wider audience of players and creators.

This comprehensive resource is completely free and available in multiple formats:

- **Players Guide:** Explore core character creation options, including races, classes, backgrounds, and equipment.
- **Game Master Guide:** Discover essential rules for running the game, crafting engaging campaigns, and utilizing magic items (with harmful content removed).
- **Monster Guide:** Encounter a vast library of creatures, faithfully adapted for braille readers.
- **Spellcasting Guide:** Master the art of magic with comprehensive spellcasting rules and descriptions.
- **Step-by-Step Tutorial:** Designers, open your games and supplements to more fans and customers!

Designed with accessibility in mind, the SRD braille conversion comes in two formats:

- **BRF:** Optimized for dynamic braille readers and physical embossers.
- **BBZ:** Editable in BrailleBlaster software for further customization.

This resource is released under a CC-BY license, allowing anyone to freely use and adapt it for their projects. **We encourage the RPG community to embrace accessibility and make their content inclusive for all players!**

This braille conversion marks a significant step towards a more inclusive gaming space. While we continue striving to create RPG materials that are not only accessible but also celebrate diverse representation, this resource provides a valuable starting point for players and creators who are blind or visually impaired.

Join us in breaking down barriers and making gaming a more inclusive hobby for everyone!
