# Disabled D&D5e Heroes Coloring Book

April 8, 2024

Tabletop Roleplaying Games like Dungeons & Dragons are great equalizers: people of all ages and abilities can play together, cooperatively. What else can do that? Coloring books! So we used the amazing art from Limitless Heroics to create a coloring book for all ages!

48 images include fantasy characters, assistive devices, and service animals.

How does a coloring book make lives better?

- People like me with ADHD may benefit from coloring to help keep focused during games and other times, and D&D-related coloring books are rare.
- Put this in a child's hands, and you instantly normalize disabled heroes in their lives.
- D&D is for everyone, and so is artistic expression!
- The pages include quotes from disabled, neurodiverse, and mentally & chronically ill people to teach about their experiences and accessibility.
- [Service Owlbears] are adorable.

The book also includes a local site license for copying, so schools, clinics, local game groups, and FLGSs can print or copy coloring pages for their local events, clients, and fellow players.
