We are making history!

- What if your fantasy RPG world included disabled people, just like the real world?
- What if that disability representation went beyond wheelchairs and pirates?

We're creating the largest, most diverse line of disabled fantasy miniatures ever made with 5e stat blocks and cards, which [launched in a Kickstarter campaign](#) on May 2, 2023.

research and conversations from previous projects, real-world people who commissioned characters based on themselves, and consultation with therapists, advocacy professionals, people whose experiences are represented here, and before the final sensitivity reading and edit, besides playtesting, we will send the manuscript to backers who are represented here for additional feedback.
