March 6, 2023

2nd-level illusion

Casting Time: 1 action

Components: VSM a small square of silk

Range: Touch

Duration: 24 hours

You place an illusion on a creature or an object you touch so that divination spells reveal false information about it. The target can be a willing creature or an object that isn't being carried or worn by another creature.

When you cast the spell, choose one or both of the following effects. The effect lasts for the duration. If you cast this spell on the same creature or object every day for 30 days, placing the same effect on it each time, the illusion lasts until it is dispelled.

False Aura. You change the way the target appears to spells and magical effects, such as [symbol](#) spell. You choose a creature type and other spells and magical effects treat the target as if it were a creature of that type or of that alignment.
