

# Sovereign Glue

March 9, 2023

Wondrous item, legendary

This viscous, milky-white substance can form a permanent adhesive bond between any two objects. It must be stored in a jar or flask that has been coated inside with oil of slipperiness. When found, a container contains  $1d6 + 1$  ounces.

One ounce of the glue can cover a 1-foot square surface. The glue takes 1 minute to set. Once it has done so, the bond it creates can be broken only by the application of [universal solvent](#) or [oil of etherealness](#), or with a [wish](#) spell.
