## Staff of Power

March 9, 2023

Staff, very rare (requires attunement by a sorcerer, warlock, or wizard)

This staff can be wielded as a magic quarterstaff that grants a +2 bonus to attack and damage rolls made with it. While holding it, you gain a +2 bonus to Armor Class, saving throws, and spell attack rolls.

The staff has 20 charges for the following properties. The staff regains $2 \mathrm{~d} 8+4$ expended charges daily at dawn. If you expend the last charge, roll a d20. On a 1 , the staff retains its +2 bonus to attack and damage rolls but loses all other properties. On a 20, the staff regains $1 d 8+2$ charges.
Power Strike. When you hit with a melee attack using the staff, you can expend 1 charge to deal an extra $1 d 6$ force damage to the target.
Spells. While holding this staff, you can use an action to expend 1 or more of its charges to cast one of the following spells from it, using your spell save DC and spell attack bonus: cone of cold (5 charges), fireball (5th-level version, 5 charges), globe of invulnerability ( 6 charges), hold monster (5 charges), levitate (2 charges), lightning bolt (5th-level version, 5 charges), magic missile (1 charge), ray of enfeeblement ( 1 charge), or wall of force (5 charges). Retributive Strike. You can use an action to break the staff
over your knee or against a solid surface, performing a retributive strike. The staff is destroyed and releases its remaining magic in an explosion that expands to fill a 30-footradius sphere centered on it.

You have a 50 percent chance to instantly travel to a random plane of existence, avoiding the explosion. If you fail to avoid the effect, you take force damage equal to $16 \times$ the number of charges in the staff. Every other creature in the area must make a DC 17 Dexterity saving throw. On a failed save, a creature takes an amount of damage based on how far away it is from the point of origin, as shown in the following table. On a successful save, a creature takes half as much damage.

| Distance from Origin | Damage |
| :---: | :---: |
| 10 ft. away or closer | $8 \times$ the number of charges in the staff |
| 11 to 20 ft . away | $6 \times$ the number of charges in the staff |
| 21 to 30 ft. away | $4 \times$ the number of charges in the staff |
