

Grendel's Grasping Gauntlet

August 21, 2022

Wondrous Item, uncommon

This gauntlet allows you to move a paralyzed hand and arm with a Strength of 10 but without proficiency with anything in that hand. Each day you use it, you must succeed on a DC 10 Charisma saving throw. On a failed saving throw, the hand [controls itself all day](#), does not respond to commands, and cannot be removed by you without a remove curse spell.
