Make Lives Better through Role-Playing Games

This adventure is one piece of a movement within the D&D community to invite, encourage, and include those who have not been, both in the RPG community and nearly everywhere in real life. Wyrmsworks Publishing is dedicated to using RPGs to help you make lives better, to provide tools, training, and a

community to this end. We believe that this will extend far beyond the ever-growing RPG community as more and more people learn, grow, and give and receive acceptance.

To that end, this adventure includes disabled NPCs just like in real life, including a unique prosthetic arm, a character with chronic pain, and more.

This free adventure includes a simplified version for screen readers for the blind and visually impaired, stat blocks and information for two monsters, a new artifact, a village map, and multiple NPCs, plus illustrations of each NPC for your players.

Content Trigger Warnings

This adventure includes topics of violence, death of both people and animals, ableism, and undead people and animals.
