

WotC's PHB 2024: Hit or Miss on Disability & Diversity?

September 3, 2024

WotC's #PHB2024 teases inclusion but misses key marks on disability & diversity. Where's the authentic representation? Let's discuss! #DnD

Accessible DnD Character Sheets for Disabled Players

September 3, 2024

Free, emoji-based character sheets designed for #DnD players with print disabilities. Available in PDF and DOCX formats, with features for easy navigation and inclusive representation.

Gaining Advantage 031: Improving Racial Representation in TTRPGs with Aaron Trammell

September 3, 2024

This month, we open discussing the new canon autistic character being introduced in D&D, and how meaningful representation is for traditionally marginalized groups. □

<https://www.polygon.com/23850698/dnd-dungeons-dragons-autistic-character-asteria>

Then Dale talks with Aaron Trammell, Associate Professor of Informatics at UC Irvine, about improving representation for people of color in tabletop RPGs like Dungeons & Dragons.

Key topics covered:

- How fantasy RPGs have historically lacked racial diversity and inclusion
- Racial stereotypes associated with classic fantasy races like orcs
- Colonialist attitudes reflected in fantasy language use
- Steps publishers and designers can take to improve racial representation in RPG products
- Making your gaming table welcoming for new and diverse players
- Aaron provides insight into issues around race in RPGs, and offers suggestions for how the hobby can become more inclusive. This is an important discussion about seeing diversity reflected in the games we play.

Gaining Advantage 029: Finding Healing and Fun through TTRPGs: A Journey of Transformation with Bill Lemmond

September 3, 2024

Dale interviews Bill Lemmond, a passionate gamer and comic artist. Bill shares his personal story of how tabletop roleplaying games (TTRPGs) have played a pivotal role in transforming his life, from finding joy and relaxation to overcoming depression and pursuing education. Discover the power of gaming to create a supportive community, foster creativity, and provide a much-needed escape. Join us as we explore the impact of TTRPGs on mental well-being and the importance of inclusivity and fun in gaming.

Gaining Advantage 024: Inherently Beneficial, then Intentional

September 3, 2024

Roleplaying games are already great, but what happens when they're intentionally used to improve lives? We welcome Jack Berkenstock Jr., MHS, Executive Director, The Bodhana Group to talk about therapeutic RPG.

Disabled D&D5e Heroes Coloring Book

September 3, 2024

Tabletop Roleplaying Games like Dungeons & Dragons are great equalizers: people of all ages and abilities can play together, cooperatively. What else can do that? Coloring books! So we used the amazing art from Limitless Heroics to create a coloring book for all ages!

48 images include fantasy characters, assistive devices, and service animals.

How does a coloring book make lives better?

- People like me with ADHD may benefit from coloring to help keep focused during games and other times, and D&D-related coloring books are rare.
- Put this in a child's hands, and you instantly normalize disabled heroes in their lives.
- D&D is for everyone, and so is artistic expression!
- The pages include quotes from disabled, neurodiverse, and mentally & chronically ill people to teach about their experiences and accessibility.
- [Service Owlbears] are adorable.

The book also includes a local site license for copying, so schools, clinics, local game groups, and FLGSs can print or copy coloring pages for their local events, clients, and fellow players.

Gaining Advantage 023: Gaming and Inclusive Design

September 3, 2024

What happens when a bunch of neurodivergent people sit down to

play D&D together and connect through the game? Things get awesome. And our guest, Caleb Valoroza-Jones, wrote a Master's Thesis on it!

But before that, Dale takes an honest look at what it takes to get started in the TTRPG industry, especially in light of the changes at Twitter. It's not as difficult as many would lead you to believe.

Attention Deficit (ADHD) for D&D 5e

September 3, 2024

How can you represent Attention Deficit Hyperactivity Disorder (ADHD) in 5e that reflects real world experiences? Here's a free sample from Limitless Heroics to implement them in your game.

Content Warning: [Cyberbullying](#)

Last year, I posted an early draft version of this preview to promote Limitless Heroics as I prepared for the Kickstarter campaign. In December, it, and consequently I, became the target

of a Twitter [hater cyberbullying](#) attack by hundreds of people throughout the TTRPG community.

As a result of that, I pulled it down and wanted to hide. I seriously considered canceling the campaign altogether and closing up shop completely, but too many people were counting on me, and I was encouraged by some well-respected people in the industry to carry on, so with much trepidation, I continued with the campaign, avoiding Twitter and literally getting nauseated every time my phone made the new email chime for fear of the subsequent hate that flowed from that attack, and it has taken me this long to work up the courage to make this revised sample live again, reminding myself that, as big as the Twitter mob was, I've received nearly as many heartfelt notes of thanks and support, and *ten times as many* have already backed or preordered it. And with help from a licensed counselor, I'm learning to manage the subsequent anxiety and depression I've developed.

Ironically, I was recently diagnosed with ADHD myself, so I post this revision with confidence as it also reflects my own lived experience and that of *many* more who also have given input and affirm this as a reflection of their own experiences, plus it has been discussed and revised based on feedback from five sensitivity readers from multiple fields.

Because ADHD is a complex condition with a variety of expressions, we broke it into at least 3 separate traits with options for more, depending on your experience, but here are the three most common associated traits. (I personally have several more.)

You can use this sample by itself for free or [purchase a copy of *Limitless Heroics*](#) for a more comprehensive guide to disability, neurodiversity, and mental illness representation in fifth edition. Thanks for your interest in making the D&D and broader

TTRPG space more inclusive and representative. (If you use it alone, IE = Impact Extent. [See the tables for an explanation.](#))

LAYOUT NOTE: The format of this preview does not reflect the final format of Limitless Heroics, which we designed for maximum accessibility, including dyslexia-friendly.
