

# Neck Growth

August 2, 2022

You have a tumor or lump on your neck with a diameter of (IE) inches. This causes difficulty breathing and swallowing, causing a -(IE) on all Constitution checks involving physical endurance.

## Real-world Examples

Tumor, Goiter, Cyst, Hodgkin's disease

## Assistive Options

No mundane assistance helps with this, and surgery to remove the lump, because of the vital blood vessels in the neck, requires a successful DC 20 + (IE) Wisdom (Medicine) check, failure resulting in death.

## Magical Assistance

A [Minor Illusion](#) spell can temporarily hide the visibility of the lump but not its physical effects.
