

Wren's Ear of Memory

November 18, 2022

Wondrous Item, common

This ear can record up to one hour of sound and store it until you replace it with another recording. It can only hold one recording, regardless of duration. Recording and playback can be turned on and off with a bonus action and must be worn to function. Playback is only audible to the wearer and can only be played from the beginning of the recording.

Ulfgard's Ear of Intention Detection

November 18, 2022

Wondrous Item, common

This ear helps you hear a speaker's intention and resist deception. You have advantage on rolls against Charisma (Deception) and sound-based saving throws against being charmed.

Houloyd's Ear of Focus

November 18, 2022

Wondrous Item, common

This ear helps you filter background noise and focus on a single voice or other source as if it were the only audible sound and removes any penalties to Wisdom (Perception) checks due to background noise. It does not amplify the noise. If only worn in one ear, you must cover the other ear to get the benefits. While focusing on that sound, you have disadvantage on all passive Wisdom (Perception) checks. You can turn this function on or off with a bonus action.

Ear of Translation

November 18, 2022

Wondrous Item, common

This ear, which is covered in scales, tufts of hair, and downy feathers, for one hour per long rest, allows you to understand the literal meaning of any spoken language that you hear.
