

Phyllis's Ear Cuff of Grounding

November 18, 2022

Wondrous Item, common

These gold earrings, shaped like plumbines running from the lobe up to a cuff and hanging from there, reduce the IE of [Vertigo](#) by 2 while worn. They must be removed to receive the benefits of a short or long rest and take one round to add or remove. When removed, you must lie prone for (IE) rounds or Faint.
